

**FABRICATORS**

JNE Welding has been providing quality custom steel fabrications for the resource based industries for more than 38 years. We are located in Saskatoon Saskatchewan and proudly serve the mining, environmental, construction, oil sand and power generating sectors. We provide a challenging, stable and rewarding work environment.

JNE Welding is currently looking for full time Fabricators who have experience with various custom heavy plate, vessel, tank, piping, and structural projects. Candidates must have the following minimum requirements:

- Minimum of 3 to 5 years fabricating experience
- 3rd Year Apprentice or Journey ticket is preferred
- CWB tickets
- Ability to interpret drawings, weld symbols and schematics
- Ability to fasten components together using methods such as tack welding and bolting
- Experience with cranes and rigging (40 hour crane training an asset)
- Valid Saskatchewan drivers license, or ability to obtain one
- Strong interpersonal and communication skills
- Excellent attention to detail

JNE offers a competitive wage and benefit package, challenging work, and a commitment to continuous improvement. If you think you're the right fit for this position, please forward your resume by mail, email, or fax to:
