

SHIPPER/RECEIVER

JNE Welding is one of the most diverse custom steel fabricators in Western Canada providing engineer-to-order, custom steel fabrications to the mining, petroleum, gas, heavy oil, energy, and environmental sectors. We are an employer of choice – creating meaningful opportunities for Saskatchewan workers.

JNE Welding is currently hiring one full time Shipper/Receiver. Reporting to the Shipping/Receiving Supervisor, the successful candidate will be responsible for the following:

- Working safely and in accordance with JNE and OH&S procedures and guidelines.
- Load and unload all incoming/outgoing freight. Ensure all loads are within the regulations and are secured properly.
- Provide a smooth flow of material to all shops.
- Ensure control and organization of JNE inventory, which includes maintaining material traceability.
- Maintaining inventory and yard organization.
- Empty all garbage containers.
- Complete daily and weekly equipment checks on assigned vehicles.
- Maintain daily log report according to Transport Canada regulations.
- Perform cleaning of stainless steel fabrications utilizing pickling solutions, cleaning solutions and neutralizing solutions.

Desired Qualifications:

- Good organizational and time management skills
- Strong interpersonal and communication skills (both written and verbal)
- Ability to operate heavy equipment
- Knowledge of trucking rules and regulations
- Grade 12

JNE offers a competitive wage and benefit package, fitness facility, challenging work, and a commitment to continuous improvement and excellence. If you are interested in this position, please forward your resume and cover letter to hr@jnewelding.com attention Manager of Human Resources.
