

Welder

JNE Welding is one of the most diverse custom steel fabricators in Western Canada providing engineer-to-order, custom steel fabrications to the mining, petroleum, gas, heavy oil, energy, and environmental sectors. We are an employer of choice – creating meaningful opportunities for Saskatchewan workers.

We are currently hiring Welders. Reporting to the Shop Supervisor, Welders are responsible for performing welding jobs in accordance with all specifications and instructions as provided. The primary responsibilities of the role will include:

- Responsible for working in accordance with OH&S regulations, JNE safe work procedures, ISO procedures, and JNE Values/Code of Conduct.
- Interpret drawings and weld symbols to confirm requirements of each weld. Verify the consumable, shielding gas, and welding parameters of the welding equipment in relation to the welding procedure data sheet of each weld.
- Welding and the weld cleanup of previously inspected and fitted parts.
- Identifying finished product (tagging or marking).
- Material handling of parts and finished fabrications.
- Responsible use of consumables and raw materials.
- Fit fabrications for welding.
- Knowledge of weld faults and causes.
- Ability to perform visual inspection of welds.
- Provide training and support to less experienced employees as required.
- Complete all traceability and documentation requirements.

The ideal candidate will have the following qualifications and experience:

- Grade 12 Diploma
- Graduate of Pre-employment Welding program or an Apprentice Welder (proven equivalent training and/or experience will be considered)
- Minimum 1 year of related work experience

Additional preferred qualifications include:

- CWB W47.1 – MCAW / FCAW Flat certification
- ASME IX 1G Roll
- Welding Journeyman Certificate

JNE offers a competitive wage and benefit package, fitness facility, challenging work, and a commitment to continuous improvement and excellence. If you are interested in this position, please forward your resume and cover letter to hr@jnewelding.com attention Manager of Human Resources.
