

Fabricator

JNE Welding is one of the most diverse custom steel fabricators in Western Canada providing engineer-to-order, custom steel fabrications to the mining, petroleum, gas, heavy oil, energy, and environmental sectors. We are an employer of choice – creating meaningful opportunities for Saskatchewan workers.

JNE Welding is currently hiring full-time **Level 3 Apprentices or Journeyperson Metal Fabricators** for our **day or night shifts** who have experience with various custom heavy plate, vessels, tanks, piping, and structural projects. This position will report to the Shop Supervisor. The primary responsibilities of this role will include:

- Responsible for working in accordance with OH&S regulations, JNE safe work procedures, ISO procedures, and JNE Values/Code of Conduct.
- Interpret drawings and weld symbols and organize workspace and equipment.
- Understand schedule requirements and perform work efficiently to meet schedule and estimates.
- Fabricate, fit, and tack fabrications according to specifications and drawings. Verify the consumable, shielding gas, and welding parameters of the welding equipment in relation to the weld specification of each weld.
- Weld fabrications.
- Material handling and moving of finished product.
- Responsible use of consumables and raw materials.
- Final verification of dimensions and weld preps on the fabrications prior to Quality Assurance checking the fabrication and identifying that it is ready to weld.

The successful candidate will have the following qualifications and experience:

- Level 3 Apprenticeship Certification
- Minimum 3 years of metal fabrication experience.
- Ability to interpret drawings, weld symbols, and schematics.
- Strong organizational and time management skills.
- Excellent interpersonal and communication skills.
- Excellent attention to detail.

Additional preferred qualifications include:

- Journeyperson status as a Metal Fabricator.
- ASME Section IX 1G Roll.
- ASME Section IX - 484 Flat Certification.
- CWB W47.1 – MCAW / FCAW All Position Certification.
- GTAW experience.
- Experience with cranes and rigging (40-hour Crane Training).

JNE offers a competitive wage that includes a night shift premium, a comprehensive benefit package, fitness facility, challenging work, and a commitment to continuous improvement and excellence. If you are interested in this position, please forward your resume and cover letter to hr@jnewelding.com attention Manager of Human Resources.
