

## Metal/Steel Fabricator

JNE Welding is one of the most diverse custom steel fabricators in Western Canada providing engineer-to-order, custom steel fabrications to the mining, petroleum, gas, heavy oil, energy, and environmental sectors. We are an employer of choice – creating meaningful opportunities for Saskatchewan workers.

JNE Welding is currently hiring full-time **Level 2 Apprentices or Journeyperson Metal/Steel Fabricators** who have experience with various custom heavy plate, vessels, tanks, piping, and structural projects. This position will report to the Shop Supervisor. The primary responsibilities of this role will include:

- Responsible for working in accordance with OH&S regulations, JNE safe work procedures, ISO procedures, and JNE Values/Code of Conduct.
- Interpret drawings and weld symbols and organize workspace and equipment.
- Understand schedule requirements and perform work efficiently to meet schedule and estimates.
- Fabricate, fit, and tack fabrications according to specifications and drawings. Verify the consumable, shielding gas, and welding parameters of the welding equipment in relation to the weld specification of each weld.
- Weld fabrications.
- Material handling and moving of finished product.
- Responsible use of consumables and raw materials.
- Final verification of dimensions and weld preps on the fabrications prior to Quality Assurance checking the fabrication and identifying that it is ready to weld.

**The successful candidate will have the following qualifications and experience:**

- Minimum Level 2 Apprenticeship or Journeyperson status as a Metal/Steel Fabricator.
- Minimum 2 years of metal/steel fabrication experience.
- Ability to interpret drawings, weld symbols, and schematics.
- ASME Section IX 1G Roll.
- ASME Section IX - 484 Flat Certification.
- CWB W47.1 – MCAW / FCAW All Position Certification.
- GTAW experience.
- Experience with cranes and rigging (40-hour Crane Training).

- Strong organizational and time management skills.
- Excellent interpersonal and communication skills.
- Excellent attention to detail.

JNE Welding is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. JNE offers competitive compensation, a comprehensive benefit package, onsite fitness facility, professional development opportunities, challenging work, and a commitment to continuous improvement and excellence. JNE places considerable emphasis in our hiring strategy on attitude versus pure aptitude. We continue to build a strong team that has depth in both personal leadership skills as well as industry related training and experience.
