

Welder

JNE Welding is one of the most diverse custom steel fabricators in Western Canada providing engineer-to-order, custom steel fabrications to the mining, petroleum, gas, heavy oil, energy, and environmental sectors. We are an employer of choice – creating meaningful opportunities for Saskatchewan workers.

JNE Welding is currently hiring full-time **Level 3 Apprentices or Journeyperson Welders** for **various shifts** who have experience with various custom heavy plate, vessels, tanks, piping, and structural projects. This position will report to the Shop Supervisor. The primary responsibilities of this role will include:

- Responsible for working in accordance with OH&S regulations, JNE safe work procedures, ISO procedures, and JNE Values/Code of Conduct.
- Interpret drawings and weld symbols to confirm requirements of each weld. Verify the consumable, shielding gas, and welding parameters of the welding equipment in relation to the welding procedure data sheet of each weld.
- Welding and the weld cleanup of previously inspected and fitted parts.
- Identifying finished product (tagging or marking).
- Material handling of parts and finished fabrications.
- Responsible use of consumables and raw materials.
- Fit fabrications for welding.
- Knowledge of weld faults and causes.
- Ability to perform visual inspection of welds.
- Provide training and support to less experienced employees as required.
- Complete all traceability and documentation requirements.

The successful candidate will have the following qualifications and experience:

- Level 3 Apprenticeship Certification
- Minimum 3 years of welding and fitting experience.
- Ability to interpret drawings, weld symbols, and schematics.
- Strong organizational and time management skills.
- Excellent interpersonal and communication skills.
- Excellent attention to detail.

Additional preferred qualifications include:

- Journeyperson status as a Welder.
- CWB W47.1 – MCAW / FCAW All Position Certification.
- GTAW experience.
- ASME IX 1G Roll.
- Experience with cranes and rigging (40-hour Crane Training).

JNE Welding is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. JNE offers competitive compensation, a comprehensive benefit package, onsite fitness facility, professional development opportunities, challenging work, and a commitment to continuous improvement and excellence. JNE places considerable emphasis in our hiring strategy on attitude versus pure aptitude. We continue to build a strong team that has depth in both personal leadership skills as well as industry related training and experience.

JNE offers a competitive wage that includes night / weekend shift premium, a comprehensive benefit package, fitness facility, challenging work, and a commitment to continuous improvement and excellence.
